ARTHUR H. BRITTON

On April 1, 1943, Mr. Arthur H. Britton retired from the office of County Commissioner by his own wish. He was Merrimack County Commissioner for 38 years, serving as chairman for 34 years.

It is a wonderful tribute to any public servant to serve so long and continue to receive, year after year, the splendid vote of appreciation that the people of Merrimack County gave Mr. Britton. Realizing this, his first thought was always of the County.

Merrimack County has been fortunate to be led by such a citizen. The conditions at the County Farm manifest this at every turn. The personnel that he was instrumental in employing, to care for the unfortunate, the entire institution, certify this fact. He was proud of the herd of Pure Bred Holstein Cattle at the farm and considered it a real asset. He continually strove to improve the financial standing of Merrimack County and to use the taxpayers' money to best advantage.

Those who worked with him sorely miss his counsel and calm deliberation and will look upon these evidences of his leadership, as glowing reminders of the finest Commissioner that Merrimack County will probably ever have.

DIVISION OF MUNICIPAL ACCOUNTING

State Tax Commission

CONCORD, NEW HAMPSHIRE

July 7, 1943

Board of County Commissioners
Merrimack County
Concord, New Hampshire

Gentlemen:

In accordance with the provisions of Chapter 82, Section 27, of the Revised Laws, an audit and examination of the accounts of Merrimack County has been made by the Division of Municipal Accounting of the State Tax Commission. The period covered included the fiscal year ended December 31, 1942, and the current year from January 1st to May 12, 1943. Submitted herewith is the report of this audit, including Exhibits and Schedules as hereafter listed.

SCOPE OF AUDIT

Included in the audit and examination were the accounts and records of the County Commissioners, County Treasurer, Clerk of the Superior Court and Superintendent of the County Farm.

FINANCES

In order to present a comprehensive picture of the financial condition of the County during the last ten years and the changes which have occurred in this period, certain statements have been prepared and will be referred to in the comments which follow.

Comparative Balance Sheets—1933 to 1942, inclusive: (Exhibit I)

It will be noted that the County started this period (1933) with a Net Debt of \$53,320.83. In 1936 the Net Debt increased to \$178,289.02. Since then the Net Debt has been materially reduced each year and in 1942, not only was

the Net Debt entirely liquidated, but a Net Surplus of \$100,687.48 was accumulated. The actual Current Surplus as of December 31, 1942, amounted to \$160,687.48, as the outstanding bonds of \$60,000 were included in the Liabilities in arriving at the Net Surplus. In the County Budget adopted for the years 1943 and 1944, one-half the amount of the Current Surplus was used in each of these years to reduce the amount necessary to be raised by County Tax.

County Tax Apportionment—1934 to 1943, inclusive (Exhibit II)

The apportionment of County Taxes by cities and towns during the years from 1934 to 1943, inclusive, is shown in this Exhibit. The highest County Tax was \$423,320.00, in 1938. From this peak it has dropped to \$192,087.76, in 1943.

Receipts and Expenditures—1933 to 1942, inclusive: (Exhibit III)

Summaries of receipts and expenditures, classified in accordance with the uniform classification of accounts, for the years 1933 to 1942, inclusive, are presented in Exhibit III.

Bonded Debt and Annual Maturities: (Exhibit IV)

The outstanding bonded debt of the County, as of December 31, 1942, amounted to \$60,000. This represented the balance of the Almshouse and House of Correction Improvement 4% Bonds, issued in 1933. The original amount of this issue was \$115,000. These bonds mature at the rate of \$6,000 a year until 1952, when the final maturity occurs.

Comparative Balance Sheets—December 31, 1941 and December 31, 1942: (Schedule A)

Comparative Balance Sheets for the years ended December 31, 1941, and December 31, 1942, are presented in Schedule A. These indicate a change in the financial condition of the County from a Net Debt of \$4,414.39, to a Surplus of \$100,687.48, an improvement during the year of \$105,101.87.

Revenues, Appropriations and Expenditures—1942: (Schedules B & C)

Comparative statements of Appropriations and Expenditures and Estimated and Actual Revenues, for the fiscal year ended December 31, 1942, are included in these Schedules. A net unexpended balance of appropriations of \$152,422.95, and an excess of actual over estimated revenues of \$2,514.06, resulted in a net budget surplus for the year of \$154,937.01.

ACCOUNTS OF COMMISSIONERS AND TREASURER

(Schedules D, E and E-1)

All orders issued by the Commissioners and Clerk of the Superior Court during the fiscal year ended December 31, 1942, and the period from January 1, 1943 to May 12, 1943, were examined and compared with corresponding entries in the Treasurer's records. Supporting invoices were also examined and the classification of expenditures noted.

Totals of receipts and expenditures, as indicated by the Treasurer's records, were verified. The Treasurer's balance as of May 12, 1943, was in agreement with the amount of funds on deposit in the Mechanicks National Bank, as indicated by the reconciliation as of like date. (Schedule E-1)

CLERK OF THE SUPERIOR COURT

The financial accounts and records of the Clerk of Court of Merrimack County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

COUNTY FARM

The total amount of cash receipts at the County Farm, as indicated by the Superintendent's records, was compared with the deposits made at the bank to the credit of the County Treasurer and found to be in agreement herewith.

The use of triplicate receipt forms to be issued by the Superintendent for all monies received was recommended. One copy of the receipt is to be given to the party making the remittance, one copy sent to the County Commissioners and the third copy retained by the Superintendent. Receipts should be serially numbered.

GENERAL COMMENTS

Competitive Bidding:

It was noted that the provisions of Chapter 47, Section 8, of the Revised Laws, requiring competitive bidding on all purchases of equipment or materials in excess of fifty dollars, have been complied with. Adequate records of bids received and wards made have been kept.

Relief Orders:

Relief orders are issued directly to the recipients and presented by them to the vendors from whom the goods or materials specified therein are obtained. The recipient should always sign the order when the goods or materials are received. It was noted that this practice had not been followed in all cases.

Such evidence of the receipt of materials and supplies by relief clients should be required in every instance by the local overseers of the poor and they should be notified to this effect by the County Commissioners.

Sheriff—Court Attendance:

The Sheriff submits a statement to the Clerk of Court covering fees and expenses for himself and his deputies incident to Court attendance. Also included are expenses incurred in connection with furnishing meals to jurors. One Court order is then issued to the Sheriff for the total amount of all items as indicated in the statement. It is recommended that either—

(1) Separate Court orders be issued to each Deputy Sheriff, or

(2) Receipts be obtained from each Deputy and attached to the proper statements filed with the Clerk of Court, if the present practice is continued.

Receipts for meals furnished Jurors should also be obtained and attached to the Sheriff's statements.

Record of Tax Withholdings:

A separate card record should be maintained for each employee of the County, indicating thereon the amount of pay earned in each payroll period, the amount of tax withheld and the net amount paid to the employee. This record should be set up as of January 1, 1943, showing the Victory Tax withholdings for the first two quarterly periods and the 20 percent withholdings on account of the Current Tax Payment Act for the remainder of the year. It will be necessary to have this information segregated in order to comply with the provisions of the Act which required employers to furnish to each employee, from whose wages they withhold taxes, a written statement showing the wages paid and the amount of tax withheld during the calendar year. A duplicate of each such statement must also be filed with the Collector of Internal Revenue.

Conclusion:

The accounts and records of all County officials which were examined were found in good condition and the accounting procedure conformed to the standard procedure prescribed by this Division. All records were complete and accurate.

The strong financial position which Merrimack County occupies today reflects the sound judgement and untiring efforts for many years of the recently retired Chairman of the Board of County Commissioners, Mr. Arthur H. Britton.

Section 31 of Chapter 211, Laws of 1939, provides that:

"Upon the completion of each audit, as herein provided, a report thereof shall be made to the proper local officials,

and a copy of such report for a summary of its essential features shall be published in the next annual report of the county, city, town, school district, village district or precinct concerned."

In accordance with the provisions of this law, therefore, the text of this report should be printed in the next annual County report.

Our appreciation and thanks is expressed to the County Officials and their office staffs for the assistance rendered while we were engaged in this audit.

Yours very truly,

(Signed) HAROLD G. FOWLER,

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm, and House of Correction, Farm Physician, and Chaplain for the year ending December 31, 1943.

COUNTY FARM

Merrimack County is very fortunate to have Mr. and Mrs. J. M. Lorden as its Superintendent and Matron. They have given a great many years to this institution, which is always first and foremost in their minds. As will be seen in their report, this year has been very difficult for them. Yet, with world conditions as they are, they carry on surrounded by a most efficient corps of officers.

This year the kitchen has been improved by the installation of a new bread mixer and oven. The hospital has also been improved by the addition of a laboratory.

The herd of cattle has increased in value materially and we have great hopes that the new herd sire purchased in 1943 will continue to raise its standard. By culling the herd and using the culls for meat the institution has been able to have beef when it was impossible to procure it otherwise. Never was more fruit and vegetables raised, canned and stored, each in its season, than this year.

We would like to have the Citizens of Merrimack County visit and inspect the County Institution and would welcome any suggestions which might be beneficial.

WELFARE AND RELIEF

As you will see by the following figures County Relief continues to decline, and we hope, after this war is over,

that the Citizens of the County will devise ways and means to keep the relief load light.

BOARDED CHILDREN

The board and care of children is one of Merrimack County's major problems. At present there are 146 children who are divided equally between foster homes and institutions. The State Officials repeatedly tell us that it is increasingly difficult to get foster homes. We believe it is high time that either the State or the County have full responsibility for these children.

It is gratifying to see that the amount received from the children's parents has increased from \$1,755.39 in 1942 to \$4,593.01 in 1943. This has been made possible not only by better working conditions but by close supervision and frequent disciplining.

With the Armed Forces taking more fathers, and more mothers going into defense work we must expect an increase in the number of children needing County care.

FINANCES

As an indication of the security of County finances, may we point out the fact that, in borrowing \$100,000.00 in anticipation of taxes, our rate of interest was only .35 per cent. On December 31, 1943 Merrimack County had a net cash surplus of \$75,741.05. It has been our constant endeavor to keep within the budget allowed by our County Delegation.

COMPETITIVE BIDDING

Due to O. P. A. ceilings and the scarcity of commodities we have found, in some instances, that it was impossible to find merchants who would bid on the sale of merchandise. Therefore we would not always comply with the State Law which requires the Commissioners to receive bids on all sales of \$50.00 or more.

APPRECIATION

The Commissioners of Merrimack County are very grate-

ful to the members of the County Delegation, to all employees of the County, to the Concord Federated Business and Professional Women's Club and to all who have contributed in any way to the happiness and welfare of the inmates of our County Institution and the success of our County Government.

Respectfully submitted,

G. CARROLL CILLEY,
GEORGE W. PHILBRICK,
GEORGE A. HILL,
Commissioners of Merrimack County.

STATE OF NEW HAMPSHIRE
MERRIMACK COUNTY

AUDITORS' REPORT

We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer and cash accounts of the Superintendent of the County Farm for the twelve months ending December 31, 1943, that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value; and all such articles have been used for the benefit of the county, according to the best of our information, knowledge, and belief; and that the charges for expenses of the County Commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there were outstanding bonds of the County amounting to \$54,000.00, and outstanding notes amounting to—none—of December 31, 1943.

HAROLD CHENEY,
J. MITCHELL AHERN,
Auditors of Merrimack County.

Dated at Concord, N. H., this 6th day of January, 1944.

The past year has brought many changes in our staff here at the Farm. Due to death, sickness and accidents several of our older officers who have worked with us for many years are gone and are greatly missed.

Each year we try to save something out of our appropriation for some permanent improvement. This year it is a new bread and cake mixer which replaces our old one that broke down last June after 35 years service. A new Johnson Jr. oven which replaces two Blodgetts installed over 30 years ago, also extensive repairs and replacements have been added to our Laboratory during the year.

We would also take this opportunity to express our thanks to our County Physician, Chaplains and Friends who have in various ways contributed to the comfort and happiness of our large family.

Our Christmas Tree and entertainment was again conducted by the Concord Federated Business and Professional Woman's Club and was voted by all as one of the best ever. Same old Santa (and *did he* do it). Thank you seems small compensation for these Friends in comparison with value received.

In closing we wish to say to the Commissioners of Merrimack County that we deeply appreciate your co-operation and help given us in matters and problems pertaining to the administrative duties of the Farm.

To the Officers of the Farm who have given the greatest possible cooperation during this very unusual year, we are very grateful.

Respectfully submitted,

J. M. LORDEN, *Supt.*,
BELLE E. LORDEN, *Matron.*

REPORT OF THE PHYSICIAN

To the Honorable Board of Commissioners of Merrimack County, I submit the following report:

The year of 1943 has come to a satisfactory conclusion, from the medical viewpoint, in spite of the demand for medical personnel in the armed services.

A well equipped laboratory department has been established this year, and it has proved to be a great asset in diagnosis.

This year the institution experienced a touch of the prevailing flu epidemic, without any serious complications.

The nursing department lost a very faithful and devoted nurse, in the death of Mrs. Annie M. Haggerty who had served the institution for many years.

The excellent co-operation of the Superintendent and Matron, nursing staff, and the Board of County Commissioners, has contributed to a progressive hospital service.

F. J. McQUADE, M. D.

REPORT OF THE CHAPLAIN

Boscawen, N. H., January 16, 1944.

To the Commissioners of Merrimack County:

As Chaplain at the Merrimack County Farm during the past year, twenty Sunday afternoon services have been conducted on the first and third Sundays except during July and August. On the Sunday before Christmas the vested Junior choir of the Boscawen Church assisted and also sang carols in the hospital corridors. For the first time the opportunity was given those who desired Holy Communion in the Protestant form to meet previous to the regular chapel service. The response was very good. Twice last year and on the first Sunday of this new year, Communion was administered. Private communion was given to patients desiring it. Catholic services were conducted regularly by Father Hennon of Franklin. The Franklin W. C. T. U. conducted service each fifth Sunday. Others have assisted voluntarily from time to time. The annual Christmas party by the Concord Federated Business and Professional Women's Club is the great event of the year and was most successfully carried out with an unusually fine program. All deeply appreciate the devoted co-operation of those who assist so generously. Thanks are due those who have contributed papers, magazines and other gifts during the year. The continued gracious and friendly co-operation of the Superintendent and Matron, Mr. and Mrs. Lorden have been a great satisfaction, as has been the volunteer service of the chorus and pianist.

The Chaplain deeply regrets that this is his last annual report, as circumstances make imperative his resignation from the pastorate of the Boscawen Congregational Church, to take effect in June this year. He will complete this half

year of service after nearly ten years in this pastorate and its accompanying chaplaincy. He has truly enjoyed and profited by this opportunity to serve as a Christian minister with this institution.

Respectfully submitted,

ASA M. PARKER,
Chaplain.

REPORT OF COUNTY SOLICITOR

To the Commissioners of Merrimack County:

I submit herewith my report covering the period from January 1, 1943 to December 31, 1943, inclusive:

The indictments returned by the April Term, 1943 Grand Jury and the disposition of them are as follows: *Wallace E. Whynott* indicted on two charges of aggravated assault, sentenced to State Prison on each for not less than two and one-half years nor more than three years, the sentence on the second charge to begin at the expiration of the sentence on the first one; *Fred B. Riggs*, embezzlement, continued for sentence and placed on probation for three years; *One-sime Haskell*, larceny from the person, one year in the House of Correction; *Richard Libby*, breaking, entering and larceny, four months in the House of Correction; *Wesley J. Miller*, aggravated assault, not pressed upon his going into the army; *Earl C. Wilson*, three charges of breaking, entering and larceny, continued for sentence, placed on probation for two years and ordered to make restitution; *Wallace Mitchell*, escaping from State Prison, sentenced to State Prison not less than one year and one day nor more than two years, sentence to begin at expiration of sentence now being served.

The indictments returned by the October Term, 1943 Grand Jury and the disposition of them are as follows: *Harold E. Kimball*, aggravated assault, ten months in the House of Correction; *Alfred Perreault*, larceny from the person, one year in the House of Correction suspended and ordered to make restitution; *Ralph Morrill*, breaking, entering and larceny, continued for sentence and placed on probation for two years; *Louis St. Onge*, adultery, six months in the House of Correction, suspended, fined \$50.00 and costs;

Anna Gilson, adultery, six months in the House of Correction, fine of \$50 and costs, sentence and fine suspended; *Maurice J. Perrin*, adultery, six months in the House of Correction, suspended, fine of \$50 and costs; *Raymond C. Dunbar*, adultery, six months in the House of Correction, suspended, fine of \$50 and costs; *Ernest L. Swanson*, failing to return to the scene of an accident knowing injury had been done, case not yet disposed of; *Sante E. Miniutti*, breaking, entering and larceny, continued for sentence and placed on probation for one year; *Wesley J. Miller*, aggravated assault, sentenced to State Prison for not less than two years, six months nor more than three years; *James J. Catiras*, two charges of breaking, entering and larceny, sentenced to State Prison for not less than two years nor more than five years on one charge, the other continued for sentence; *Theodore T. Kantak*, breaking, entering and larceny, nol prossed, and turned over to Maine authorities for violation of parole; and *Herbert L. Knowlton, Jr.*, embezzlement, continued for sentence and ordered to make restitution.

In addition to the Grand Jury cases, there are several cases of appeals from decisions of the Municipal Courts in the county. As usual there have been many cases of non-support, some cases of neglected and dependent children and a few juvenile cases.

As I have suggested in other reports, there is a great deal of work in connection with non-support and other domestic relations matters which do not get any publicity but which nevertheless result in the course of a year in the payment of considerable amounts either to families or in reimbursement of the County for money paid out for support.

It is my observation that there has been a decline in the number of serious offenses committed, comparing the year 1943 with earlier years. I think this is generally attributed to the armed services taking the young men in the age group within which most of the offenders have come in the last few years. It has also been my observation that there has not been

any substantial increase in juvenile delinquency in Merrimack County so far as such cases have come to my attention during the year 1943. I do not wish to minimize the problem of juvenile delinquency. We have it and probably always will have it. The psychological effect of many references to the subject in the press may have a good effect in emphasizing the presence of the problem. However, to the extent that they create the impression that there has been a substantial increase in juvenile delinquency in this area, they are in my opinion misleading.

Notwithstanding my remarks, I am still of the opinion that a juvenile and domestic relations court would serve a very useful purpose in this State.

Respectfully submitted,

WILLOUGHBY A. COLBY.
